~10:00pm	i fetch broby home safely 🤍

Contingency Plan

Safety / Hazard Identification, Risk Assessment, and Risk Control (HIRARC)					
HIRARC					
Potential Risks/Hazards	Type of Hazards	Risk Control	Likelihood	Severity	Risk Analysis (Likelihood x Severity)
broby stays cold the whole day	Emotional	I stay warm and patient regardless	3	3	9 (i accept this risk)
i say the wrong thing	Communication	DEFINITELY WON'T HAPPEN	0 (not happening)	0 (not happening)	0 (not happening)
broby suddenly not free	Schedule	schedule another day to meet up	i hope is 0	1000 for me	0 (ideal case)

Emergency procedure

- if broby feels uncomfortable at any point, just say the word — i'll adjust without making it a big deal
- Broby is allowed to change anything in this plan, cancel any part of it, or suggest something else entirely.
- if anything is missing here or something just isn't right — please just tell me. I genuinely want to know

What i'm bringing / what i promise to remember

- full sincerity
- patience — if broby needs quiet, i give quiet. if he needs space, i give space
- my wallet (all expenses on me today)
- tissues
- Secret
