When: this Friday, around 7-ish - or whenever works for you

Where: a little surprise spot i think you will love

Vibe: super chill - just the two of us

the plan:

- food you actually like
- a slow walk, no rush
- one fun thing i am NOT telling you yet

so... pretty please? im kind of begging here.

psst - you can suggest changes right on the invite page. i will change anything!
